8146/5-ExV-07-08H16C1N-D Art. No. 137173

- Standard variants with short delivery times, customer-specific options possible
- With miniature circuit breaker, tripping characteristic C
- With residual current circuit breaker with overcurrent release, tripping characteristic C
- Nominal currents of 10, 16, 20 and 25 A

MY R. STAHL 8146D

R. STAHL Series 8146 lighting and heating circuit distribution boards are modular and are therefore available in a large number of standard variants which are ready for rapid delivery. Custom-specific options are also possible. The moulded case circuit breakers are installed beneath a hinged inspection glass and can be actuated from the outside, even when live. The switching position is visible at all times.
